

# RIG WASH TUFF HeavyDuty (RXSOL-60-1042-025)

MATERIAL SAFETY DATA SHEET • SALALAH CHEMICAL, OMAN

## 1. Product and Company Identification

[www.rxmarine.com](http://www.rxmarine.com)

|              |                                 |
|--------------|---------------------------------|
| Product Name | <b>RXSOL-60-1042-025</b>        |
| Product Type | <b>RIG WASH tuff Heavy Duty</b> |

### Company Details:

RX MARINE INTERNATIONAL  
105, A wing , BSEL , TECH PARK.  
VASHI ,NEW BOMBAY 400703 INDIA

|       |   |                                                          |
|-------|---|----------------------------------------------------------|
| Phone | : | +91 22 65113333 / 5555 / 9999 / 27611360                 |
| Fax   | : | +91 22 2781 1318 ::::AOH :0091 9821214367                |
| Email | : | <a href="mailto:mail@rxmarine.com">mail@rxmarine.com</a> |

## 2. Composition / Information on ingredients

[www.rxmarine.com](http://www.rxmarine.com)

IONIC - SURFACTANT , FATTY ALCOHOL, SULPHONATED-LA,  
Isopropanol 67-63-0 1 - 5% 200-661-7 F; R11 Xi; R36 R67

## 3. Hazards Identification

[www.rxmarine.com](http://www.rxmarine.com)

|                       |                                               |
|-----------------------|-----------------------------------------------|
| Ingestion             | Harmful, if ingested.                         |
| Inhalation            | Inhalation does not produce any side effect . |
| Skin Contact          | Non Irritation                                |
| Eye Contact           | Cause Irritation                              |
| Environmental Hazards | None                                          |
| Human Health Hazards  | Moderates                                     |

## 4. First Aid Measures

[www.rxmarine.com](http://www.rxmarine.com)

|             |                                           |
|-------------|-------------------------------------------|
| Ingestion   | Induce vomiting & seek medical attention  |
| Inhalation  | Remove to fresh air                       |
| Eye Contact | Flush with water for at least 15 minutes. |

## 5. Fire-fighting Measures

[www.rxmarine.com](http://www.rxmarine.com)

|                     |                      |
|---------------------|----------------------|
| Extinguishing Media | F - Highly Flammable |
|---------------------|----------------------|

|                            |                                                          |
|----------------------------|----------------------------------------------------------|
| Suitable                   | Use extinguishing media like foam dry Co2 , water-spray. |
| Not suitable               | Not applicable                                           |
| Special                    | Not applicable                                           |
| Protection of fire Fighter | Not applicable                                           |

Component Classification F - Highly Flammable.

Xi - Irritant.

R11 Highly flammable.

R36 Irritating to eyes.

R67 Vapours may cause drowsiness and dizziness.

## 6. Accidental Release Measures

[www.rxmarine.com](http://www.rxmarine.com)

- Bio-Degradable

Prevent from entering sewers, waterways, or low areas.

CLEANING PROCEDURE ::: Isolate spill and stop leak where safe. Contain spill with sand or other inert materials. Scoop up and remove.

## 7. Handling and Storage

[www.rxmarine.com](http://www.rxmarine.com)

|                     |                                                                                                                                                   |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| Handling            | None , Avoid contact with eye                                                                                                                     |
| Storage             | General Storage , 5 years                                                                                                                         |
| Methods of cleaning | Flush Spill Area with Water                                                                                                                       |
| NOTE                | Keep Container Tightly Closed<br>Avoid breathing vapors.<br>Storage Information Store away from oxidizers. Keep container closed when not in use. |

## 8. Exposure controls and personal protection

[www.rxmarine.com](http://www.rxmarine.com)

|                               |                                                                                                                                                                                           |
|-------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Respiratory System Protection | Engineering Controls Use in a well ventilated area. Local exhaust ventilation should be used in areas without good cross ventilation.<br>Respiratory Protection Organic vapor respirator. |
|-------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

|                |                                                                                                                                                                                      |
|----------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Eye Protection | <p>Eye Protection Chemical goggles; also wear a face shield if splashing hazard exists.</p> <p>Other Precautions Eyewash fountains and safety showers must be easily accessible.</p> |
|----------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Hand Protection Impervious rubber gloves. Skin Protection Rubber apron.

## 9. Physical and chemical properties

[www.rxmarine.com](http://www.rxmarine.com)

Properties:-

|               |                                    |
|---------------|------------------------------------|
| Appearance    | Clear liquid                       |
| Density       | In g/cm <sup>3</sup> at 20°C: 1.21 |
| Compatibility |                                    |
| Metal         | No known effect                    |
| Rubber        | No known effect                    |
| pH            | Alkaline ( 9.5-10)                 |
| Flash point   | Not Applicable                     |
| Solubility    | 100% soluble in water              |
| Packaging     | Size (in 210 Litres)               |

## 10. Stability and reactivity

[www.rxmarine.com](http://www.rxmarine.com)

|                                  |                                                            |
|----------------------------------|------------------------------------------------------------|
| Condition to Avoid               | Heat, Flame & Other Sources of Ignition                    |
| Materials to Avoid               | Do not subject to Acidic/Highly Alkaline/Oxidizing Agents. |
| Hazardous Decomposition Products | Do not occur (Bio-Degradable)                              |

## 11. Toxicological information

[www.rxmarine.com](http://www.rxmarine.com)

|                 |                 |
|-----------------|-----------------|
| Skin Irritation | No.             |
| Eye Irritation  | Moderate        |
| Sensitization   | Not Sensitizing |

|                  |                |
|------------------|----------------|
| Chronic Toxicity | Not Identified |
| Carcinogenicity  | No.            |

Inhalation May cause respiratory irritation. May cause central nervous system depression including headache, dizziness, drowsiness, incoordination, slowed reaction time, slurred speech, giddiness and unconsciousness.

Skin Contact May cause skin irritation.

Eye Contact May cause eye irritation.

Ingestion May cause headache, dizziness, nausea, vomiting, gastrointestinal irritation and central nervous system depression.

Aggravated Medical Conditions Skin disorders. Chronic Effects/Carcinogenicity No data available to indicate product or components present at greater than 1% are chronic health hazards.

Other Information None known.

Toxicity Tests

Oral Toxicity: Not determined

Dermal Toxicity: Not determined

Inhalation Toxicity: Not determined

Primary Irritation Effect: Not determined

Carcinogenicity Not determined

Genotoxicity: Not determined

Reproductive /

Developmental Toxicity: Not determined

## 12. Ecological information

[www.rxmarine.com](http://www.rxmarine.com)

|                |                |
|----------------|----------------|
| 1) Comment     | Not applicable |
| 2) Ecotoxicity | Not applicable |

Mobility (Water/Soil/Air) Not determined

Persistence/Degradability Not determined

Bio-accumulation Not determined

Ecotoxicological Information

Acute Fish Toxicity: Not determined

Acute Crustaceans Toxicity: Not determined

Acute Algae Toxicity: Not determined

Chemical Fate Information Not determined

Other Information Not applicable

## 13. Disposal considerations

[www.rxmarine.com](http://www.rxmarine.com)

**Disposal methods** Small amounts may be flushed with water to sewer. Larger volumes must be sent to approved plant for destruction. Dilute with water, neutralise with HCl, discharge to sewer with plenty of water. Confirm disposal procedures with environmental engineer and local regulations. **Waste class** Hazardous waste in accordance with EU directives. 06 02.

## 14. Transport information

[www.rxmarine.com](http://www.rxmarine.com)

| ROAD TRANSPORT (ADR) |           |                                                 |
|----------------------|-----------|-------------------------------------------------|
|                      | ADR class | Not dangerous according to ADR / Not restricted |
| RAIL TRANSPORT (RID) |           |                                                 |

|                                  |                        |                                   |
|----------------------------------|------------------------|-----------------------------------|
|                                  | <b>RID class no.</b>   | N/A                               |
| <b>SEA TRANSPORT (IMDG)</b>      |                        |                                   |
